*Ron Mack
(Northside ISD)*

July 12, 2010

Dear CENTEX Members, Vendors, and Transportation Officials,

Welcome back to the start of another school year. This 2010 – 2011 school year will bring about challenges with the Legislature convening; our attention will focus on school funding, school bus seat belt laws and any bills that will affect Transportation. We are fortunate to have experienced Representatives to voice our concerns and the opportunity of meeting on a monthly basis to share this information with each other and take back to our districts.

The Executive Committee would like to give a special thanks to the vendors that have so graciously supported CENTEX and look forward to working with them. Their products are so important to our productivity and the safe transportation of students each day. We appreciate their continued support with our two major functions, the Fall Conference and Bus Road-e-o.

This is your organization and the Executive Committee encourages you to take this opportunity to network with other Districts to discuss topics that impact us all (i.e. operations cost, grants and safety). Please continue to support TAPT, NAPT and TASBT, since their resources are invaluable to our organization and the safe transportation of our most precious cargo; our children.

Lastly, the 2010 – 2011 Executive Committee stands on the foundation laid by previous Executive Committee members and our goal is to build upon their legacy to make the organization better than before. Thanks for putting your trust in us to guide the organization. We look forward to working with you this year!

2010

September 22nd

*Region 20 Center (1314 Hines Ave.,
San Antonio, TX)*

October 13th

Baker Building (3908 Avenue B, Austin, TX)

October 22nd – 24th
